See overleaf for more details

- o All Galaxy programmes include fun-based sessions, aimed to teach sport and activity to children in a safe, learning environment through participation in games.
- o Children should have an interest in the specific activity being offered by Galaxy - children will be encouraged to participate in all parts of each weekly session.
- o All children will be expected to adhere to Galaxy's Respect, Behaviour, Safe Environment and Engagement policies at all times (see website Ts & Cs).
- o Group numbers will be a maximum of 20, allocated on completion of a successful online booking.
- o Children should be collected promptly from a Galaxy/school staff member at the end of the session finish time.
- o Children should bring a suitable change of footwear (and a change of clothes where circumstances allow).
- o Due to facility availability, some of our sessions may take place outdoors, so a coat will be necessary during inclement weather.
